

Paper Title : Inversion Analysis of Slope Engineering Parameters using Back Propagation Neural Network Based on Strength Reduction Coefficients
Paper ID : 943-SM006-22
Authors : Arif Raouf and Kunyong Zhang
Date : February 24, 2022

Invoice

Dear Arif Raouf and Kunyong Zhang

On behalf of the scientific and organizing committees of the Third International Conference on Geotechnical Engineering-Iraq, 17-19 of May 2022, we are pleased to inform you that your paper entitled “**Inversion Analysis of Slope Engineering Parameters using Back Propagation Neural Network Based on Strength Reduction Coefficients**” has been preliminary accepted in the conference and will be published in a Scopus indexed journal, **AIP Conference Proceedings**. We confirm receiving the conference registration fees (325 USD).

Thank you for your interest in the 3ICGE-Iraq, and we are looking forward to meet you in this unique event.

Prof. Dr. Mahdi O. Karkush
President of ISSSMFE/Chair of Conference

Prof. Dr. Mohammed Y. Fattah
Chair of Scientific Committee

Third International Conference on
Geotechnical Engineering-Iraq
University of Baghdad, Baghdad, Iraq
